Notes:

- Laura is not coming to Seattle due to family plans; this gives us \$800 that we must use according to the amount SGA contributed to the NSNA convention trip's funds.
 - We must spend 80% of SGA's allocation.
- We could use the money for:
 - Plane tickets/hotel costs
 - Bringing a top point earner to NSNA convention in Seattle
 - Bringing a future elect to NSNA convention in Seattle
- If we brought an additional person to Seattle, the board would need to know ASAP who would be going and if they could go.
 - Top 3 point earners: Samantha Quinto (25), Rocco Senia (17), Trenton Gober (14)
 - Most of Sam's points come from being a past board member, and Trenton has not been active in SNA for the past few months.
 - Rocco has already been planning to go to NSNA convention using his own budget and has notified Dr. Peach and Mrs. Dorminy already.
 - Rocco is the top point earner in his cohort and he has been the most active (been to the most meetings, activities, etc.) in the past few months.
 - If all 3 top point earners declined the invitation, we would stop going down the list there.
 - Finding someone to go to Seattle and prepare for the trip is a lot mentally for a nursing student to prepare for this close to the trip.
 - We would need to give them a relatively short amount of time to inform us if they plan to attend.
- We could write an email to the top 3 point earners that we have an opportunity to bring an additional person to NSNA, providing the dates of the convention and asking for availability.

Action:

- **VOTE:** Victoria makes a motion to bring an additional SNA member to NSNA convention in Seattle, WA. Izzy seconds. 7 vote in favor, 3 vote in opposition. **Motion passes.**
- **VOTE:** Jenna makes a motion to use top 3 point earners as selection criteria for bringing the additional SNA member to NSNA convention. Victoria seconds. Izzy abstains. **Motion passes.**
