

Student Nurses' Association--UCF Orlando Chapter

EMERGENCY MEETING MINUTES

Monday, February 24th, 2025

Recorded By: Brandon Vaughan

Attendees:

Victoria Trautwein, Jayla Call, Brandon Vaughan, Jenna Koo, Brianna Annunziata, Chelsea Costa, Linah Monize, Sulah Monize, Brian Peach

Call to Order: 1102 AM

Adjourned: 1121 AM

Notes:

- Marion is no longer running for NSNA board, as she was not approved to run for her originally planned position. The board needs to decide if SNA will still fund her cost of attendance.
- Jayla cancelled the hotel room for Jenna and Marion, as they will no longer need to stay in Seattle till Sunday 4/13. This saves us around \$200.
- If Marion does not attend, trip expenses would still be around \$800 per person.
- Marion could pay for her own flight to attend the trip while SNA covers her lodging cost, as the board will have the same number of rooms no matter whether or not she attends.
- Jayla has to submit financial forms by Friday 2/28 at latest and Dr. Peach has to submit registration forms to the College of Nursing today 2/24, so it would be most efficient given paperwork and the trip's proximity to still include Marion in plans to attend Seattle.
- Jenna will email Marion that we still have space in our hotel room available for her if she pays for her flight.

Action:

- **VOTE:** Victoria makes a motion to continue to fund Marion Jones' flight for NSNA. **Motion fails.**
- **VOTE:** Victoria makes a motion to offer Marion Jones space in the board's NSNA hotel room if she pays for her flight. Chelsea seconds. **Motion passes.**
